

# SOLUTIONS FOR CHURCHES & NONPROFITS

**Tech Savvy** is a provider of holistic IT solutions. We offer technology partnerships to schools, churches, and nonprofits. We set out on a mission to help those who help others, and we provide specialized services and talents focused on the specific needs of these industries.

**Partnering with us** allows teachers, preachers, and organization administrators to be successful at what they love doing. Our client partners enjoy the benefits and service-level of in-house IT staff at a fraction of the price.

## Our Specialized Offerings Include:

**Managed  
Services**

**IT Support  
& Consulting**

**Cloud  
Services**

**Networking  
& Infrastructure**

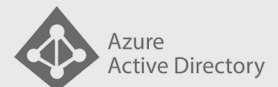

**Data Backup  
& Recovery**

**Firewalls &  
Remote Access**
